RE: Virginia Little Estate

It is with great joy that we can announce to you a wonderful blessing that a long time faithful disciple of Linglestown Life has given us. Virginia Little, who had attended our 8:45 service and passed away in November 2014, has entrusted a portion of her Estate to Linglestown Life in the amount of \$255,861.46.

We praise God for Virginia's life, her faithful stewardship, and for her financial planning that included this wonderful gift to the church. Virginia believed in our mission here at Linglestown Life and honors us with this gift.

In light of this generous gifts, the Finance Committee, the Trustees and the Administrative Council have discussed numerous ideas in regard to the most effective use of these gifts. It has been decided that we do the following:

The Trustees will be given \$75,000 to address several capital expense projects for the church grounds and parsonage. They include sealcoating and lining the parking lot, replacing the floor in Fellowship Hall, and installing new siding on the parsonage. Additionally, other projects are being prioritized.

Next, we are going to pay down the principle on the Conference Loan by \$100,000, thereby saving approximately \$93,000 in interest over the timeframe of the loan.

Third, we are going to invest \$10,000 in The Stewardship Foundation, which will provide long term income growth.

Lastly, the balance of the funds, between \$70 - \$80,000, will be invested in Conference CDs at 1.25%. This will provide "rainy day" funds for future capital expenses such as replacing the roof on the Sanctuary, so we are in a position to fund those projects when needed.

We are very blessed to be the recipients of so many generations of faithful men and women who have gone before us here at Linglestown Life. Our campus, and these facilities, are a lasting tribute to their faithful stewardship. So we are very grateful for these gifts, and your continued contributions which enable us to fulfill Linglestown Life's vision.

George Reynolds,  
Lead Pastor
